- Our 2019 goal is to engage 10 churches, 100 new volunteers, and raise \$30,000 while setting the stage for multi-year commitments with 15 churches.
- Each home build consists of 21 volunteer build days.
- Habitat homeowners put in 200 hours of volunteer time, called sweat equity, per adult. Half of those hours are spent building on their home or the home of other Habitat homeowners.
- Do I need construction experience? No, just a willingness to learn! Our construction manager and crew leaders will train you how to do the task at hand.
