

What is Aging in Place?

Aging in Place is a movement to partner with people age 65+ to help them age safely in their homes.

The program focuses on making improvements to the **safety, accessibility or energy efficiency** of the home.

“Having railings to help me get down steps safely is terrific! I don’t worry anymore and have peace of mind.” - Pat

Who we are

Habitat for Humanity of Douglas County is a non-profit, Christian housing ministry. Through aging in place, Habitat provides products and services that foster safe and livable homes and communities, and help people of all ages achieve the strength, stability and self-reliance they need to build better lives for themselves and their families.

Our mission

Seeking to put God's love into action, Habitat brings people together to build homes, communities and hope.

Our vision

All people have the right to age with dignity in their homes and communities.
