2026 Faith Build

Together, we will build our
100th home in Douglas County!

2026 Faith Build

Habitat for Humanity's vision is a world where everyone has a decent place to live. As a Christian organization, we put our faith into action through housing because every safe, affordable home serves as a foundation for better health, education, well-being, dignity and wealth of individuals, families and communities.

Faith groups who commit to participating in a build day help to provide the resources necessary to build a home, including volunteer labor and financial support.

All volunteer groups will be recognized on Habitat's social media platforms, website, annual report, home dedication program. Each volunteer will receive a t-shirt.
