

January 17, 2019

We truly appreciate your interest in bidding on our 2019 build projects! Beginning in April, we look forward to building with three families.

Your support would help serve more families in our community build a decent place to call home.

Habitat Douglas County is fortunate to have many of our skilled contractors and subcontractors donate all or a portion of their time and/or materials to contribute toward the building of these homes.

In-kind donations of labor and materials have been a blessing to our work in Douglas County. We encourage you to consider how you may be able to help by listing your in-kind gifts of material and labor on the proposal bid form.

Thank you for your interest in partnering with us. Please feel free to contact us with any questions you may have.

Sincerely,

A handwritten signature in cursive script that reads "Lori Anderson".
